COVID CASES SPIKE IN ARIZONA

The number of Covid cases in Arizona is not only higher than ever, but much higher. As a result our hospitals are being stressed beyond their capacity.

Postponed Activities

To avoid providing any new gathering that might cause spreading of the virus, we are going to postpone the following activities while we watch the numbers:

- **Tuesday Men's and Women's Bible Study.** Scheduled to begin this coming Tuesday, we are pushing the start of the Genesis study back until the current spike in Covid case numbers abates.
- **Choir rehearsals.** The Choir was going to begin rehearsing this coming Wednesday and sing for our church service the following Sunday. We will wait until prudent to rehearse again.

- **Friday Men's Bible Study.** This study that begins at 7:30 on Friday mornings will be on hiatus with the rest of our group activities until the Covid situation improves.

Other Considerations

In addition to the postponement of the new group activities, the Church Board will watch the virus progress in our area in order to determine whether we need to make adjustment to our Saturday and Sunday fellowships.

In addition, our annual meeting is still scheduled for Wednesday, January 26, while we watch the numbers for another week. If we need to postpone the annual meeting, we are calling a business meeting for Sunday, January 30, for the sole purpose of voting on the new church officers for 2022.

GIVING RECORDS

Your 2021 giving statement has been placed in your VCC mailbox this week. If you do not have a mailbox, you can pick up your report at the church office.

Again this year, VCC ministries have been greatly blessed by our congregation's generosity.

ANNUAL MEETING, SCHEDULED JANUARY 26

All VCC members are urged to attend the annual meeting currently scheduled for January 26. See above for possible changes.

Annual Meeting Business

As usual our annual meeting will provide a recap of the Church's progress in 2021 plus discussion of plans for the future including our strategic plan for the next three years. This year, however, the annual meeting agenda also includes items of business from our fourth quarterly meeting cancelled for lack of a quorum.

Those added items include election of officers and approval of both the 2022 operating and capital budgets.

Quorum Is Critical

The church Bylaws require attendance of a minimum of 20% of the formal church membership in order to conduct business. All members of the VCC congregation are invited to attend, but the meeting must be adjourned if we do not have a quorum of the formal membership present.
