## Weekly

### THE VCC ANNUAL MEETING WEDNESDAY, FEBRUARY 23—FINALLY!

Covid caused us to cancel our December fourth quarterly meeting and postpone our annual meeting for a month. But, this Wednesday, February 23, at 5:00, we will meet in the Fellowship Hall to bring the congregation up to date on the business of the church. Members are urged to attend so that we have a quorum to conduct such business as approving the 2022 operational and capital budgets.

#### Strategic Plan

One important item of business on the agenda is the congregation's approval of the VCC Strategic Plan for 2022-2024. All of our ministries set goals for a three-year period to be sure that we continue to work toward fulfilling our mission and vision. If you would like to review the plan in advance of Wednesday's vote, copies are available on the information tables in both the foyer and the fellowship hall.

#### CHURCH REKEYING

This Monday, February 21, all the locks in the church are being re-keyed. If you currently have a key to the church, it will not work after Monday. If your ministry work requires access to the church outside of office hours, you can get a new key as follows:

- Darwin Thornton will be at church Monday between 1:00 and 3:00 pm to sign out keys.
- You can also sign up and get a replacement key from the office Wednesday through Friday during regular office hours.

#### New Members

Members attending the annual meeting will also vote to accept the 15 people named here into formal church membership. We give thanks to God that the VCC congregation continues to grow despite shutdowns and postponements. Please welcome these new members as you can.
