### OUTREACH DURING THE PANDEMIC

One of VCC's supported ministries, Love Thy Neighbor (LTN), has been providing many nursing homes and assisted living facilities with a variety of needed items during this period of lockdown. They have named this outreach, *Operation Something To Do*. The items they distribute include:

- Bible kits (pictured), that include a large-print Bible with a hand-made cover, pen, highlighter, journal, and a VCC publication
- Self-directed Bible studies
- VCC daily devotionals and other VCC publications
- Word search puzzle books
- Coloring books
- Pens, markers, pencils, colored pencils, and pencil sharpeners
- Playing cards
- New and used clothing
- Hand-made quilts and blankets, walker and wheelchair bags, clothes protectors, activity aprons, and muffs

In addition, last month LTN created and began a widespread email distribution of Bible word search books, joke books, and Bible studies in PDF format. This gives the facilities the ability to reproduce these items for their residents. LTN plans to continue to provide all the listed items, and other things as needs arise, as long as necessary during this period of lockdown. They are also looking into providing gift items to smaller assisted living homes which are equally in need. As they can, volun-

teers are maintaining contact, primarily through phone calls, with many of the residents that enjoyed their personal visits before the isolation began.

VCC assists this ministry with both monthly financial support and by providing the printing of devotionals and other publications LTN uses in their nursing home outreach.
