UPCOMING BIBLE STUDY SERIES

Objections to the Gospel

For the first two or three Tuesday in May at 10:00 am, Pastor Kevin will teach a series of Bible Studies on the objections we may hear when we share the Gospel. This series is a direct follow-up to his sermon series on the Gospel Culture that we are striving to build here at Vistoso Community Church. The hour-long study will also be streamed for those who would like to tune in at home at 10:00 on Tuesday or other times during the week.

Lessons in Exodus

As a follow up to our recent study in the Book of Genesis, the summer Bible study series will explore the rest of the story in the Book of Exodus. Pastor Kevin will teach this summer series each Tuesday at 10:00 am in June and July. The lessons will be taught in the sanctuary and live streamed. Each lesson will be accompanied by a one-page study sheet that those participating can complete the week before the lessons.

SPECIAL GUEST SPEAKER

Richard and Tricia Advincula, and their five children (Gabriel, Abigail, Elesha, Brielle, and Peter), will be our guests on Sunday, May 8. Richard is the administrator at the Flying-H Youth Ranch in Nachez, WA. Tricia has many roles, including home schooling her children and the children of many of the other missionary families.

Richard will be addressing the men at the Friday morning Bible study on May 6, and will be delivering the Sunday message. Richard and Tricia will also discuss their ministry at the Flying H ranch during Q&A after the service.

Flying H Ranch is a last stop for troubled young men who are on a path that leads to destruction. Each teen "receives biblically focused mentoring and behavioral training tools in a highly structured environment which will benefit him for the rest of his life." Much of the focus is on reconciliation with family and God. You can learn more about the Ranch at www.flyingh.org.

VCC has supported this family's ministry for several years under the name Wagner, Richard's mother's name. Richard has recently reconciled with his father and they have now adopted his name.
