A THANK YOU GIFT!

There is a large and active cycling community in Sun City, and they regularly use our parking lot to gather before heading out for the day's ride. Representatives from the group stopped by right before Christmas to deliver a very generous thank you gift for our missions fund. Coincidentally, Pastor Kevin had just ridden his bike to church and was appropriately attired.

HEBREWS 2 OUT NOW!

The second book, taken from the series of sermons Pastor Kevin has been preaching from the Book of Hebrews, is available this week. The book is on the Visitor Information table in the foyer and on the literatures racks in the Fellowship Hall. You are also encouraged to take copies of the book, entitled *Today If You Hear HIS Voice*, to give to family and friends as part of your own personal ministry.

2020 CONTRIBUTION STATEMENTS—IN THE MAILBOXES

Check your mailbox this week for your contribution statement. If you do not have a mailbox, you can pick up your contribution statement at the church office. Any statements that are not picked up by Sunday, January 17, will be mailed to at the address listed on our church records.

thisweek

MISSIONS CHANNEL HAS MILITARY BIBLESTICK VIDEO

The new Missions Channel on our VCC web site has been designed to provide more and better information on our supported missionaries and mission enterprises. The latest addition to the Missions Channel is a video highlighting the project to provide BibleSticks to our Military. The program is coordinated through Faith Comes By Hearing (FCBH) that has a goal of seeing that the Word of God is recorded and freely distributed in every language that needs it by the year 2033. FCBH has come alongside the worldwide translation community to finish the task. The Military BibleStick program is part of these efforts.

The BibleStick is a small, matte-black, weather-resistant digital audio player containing the New Testament and selected Psalms. It is designed expressly for the safety of deployed troops. Each receiving service member and veteran can send a free MP3 Bible on disc to their family.

The Missions Committee recently disbursed funds to this effort. Should you wish to designate monies, half of each contribution goes to provide a military Bible stick and half to the broader Vision 2033 efforts. There is a sample of the military BibleStick in the Missions Corner.
