PASTOR KEVIN'S NEW STREAMING SERIES

We just recently completed streaming and recording a ten-lesson series entitled: *The Christian Way of Life—Starting with the Basics*. The series will be permanently available through our website and will at some point also be available in book form. (The first book in this series, *The Value of God's Word*, has already been published.) The intent of this series was not only to ground our own fellowship in the faith; but, perhaps more importantly, provide a source of material that members of our fellowship can use in ministry. In other words, these videos and books are something to which you can direct those who might be interested in growing spiritually—whether friends or family members.

Over the course of time, we expect to add additional series. In fact, starting on Friday November 6, Pastor Kevin will begin teaching the next series entitled: *The Good News—Unto Eternal Life*. As the title implies, it will be a series focusing on the good news of the Gospel and as much of the content associated with God's so-great salvation as we can fit into a two-three lesson series. You are welcome to join us in the sanctuary at 10:00 beginning Friday the 6th or via streaming. This series will also be permanently archived on our website, and eventually available in publication form.

TWO SERVICE PLAN BEGINS THIS SUNDAY

- 9:00 am—first service
- 10:10-10:50—limited fellowship
- 11:00 am—second service.

There is one fellowship time between the two services.

Reminders

We will be having two-way traffic into and out of the church building and the parking lot. Be careful to maintain distancing as you enter and exit the building. And, be especially watchful in the parking lot as we are used to having all the cars going in the same direction.

Thank God for His blessings of our church.

PLEASE VOTE

And, when you vote, remember this advice from Samuel Adams, one of our nation's founding fathers:

Let each citizen remember at the moment he is offering his vote that he is not making a present or a compliment to please an individual - or at least that he ought not so to do; but that he is executing one of the most solemn trusts in human society for which he is accountable to God and his country.
