## Weekly

### VCC VOLUNTEER COMMITTEES

VCC's Property Committee manages our building and grounds—everything from changing light bulbs to major maintenance projects. During our return to services following the shutdown, Property also took on the responsibility for sanitizing the church between studies and services.

The most recent Property project is directing the replacement of the rock around the church. The ten-ton of rock needed to redo in front of the church was installed

in June. Next month the focus is on the replacement of rock in back of our building, including the islands in the parking lot.

In addition to major projects, the Property Committee also handles such details as adjusting the building temperature. Recently installed thermostats allow remote adjustments to our heating and cooling systems before and after church events in order to minimize our energy costs.

If you would like to serve on the Property Committee or are interested in volunteering for some of the event setup projects at the church, see:

- Property Chair Darwin Thornton, (top) who also serves as Property Officer on the VCC Church Board.
- Property Co-Chair Mike Prout.

### TIME TO GO HOME

If you loaned tray tables to the church for use in Bible Studies when we reopened, they are no longer needed. You can pick up your tables in Pastor Kevin's office.

### NEW AT VCC

**Devotional.** The August issue of our daily devotional is available in the foyer and on the racks in the area just before the doors to the Fellowship Hall.

**Mission Video.** Missionary Bill Penning has sent an update on his ministry in Brazil. You can play the video from our Missions page on the VCC website: vistoso.org.

**Speakers.** Mary and Larry Harris were scheduled to speak during the fellowship time last Sunday. A possible COVID exposure kept them home, so they will join us this Sunday following our service.

**Pictorial Directory.** Our VCC pictorial directory is a great aid for getting to know your church family. Our directory is now produced out of our attendance and membership records maintained by the church office. This means that you can get an updated directory or be added to the directory at any time.

• **Copies.** To get a copy of the VCC pictorial directory, just ask at the Church Office.

• **New Entries.** Jan Galyen is the one to ask if you would like to be added to the directory. She has the information form to fill out and will take your picture.
