VCC'S VISITORS FROM GILGAL GOSPEL MISSION (GGM) IN INDIA

Sunday Morning

On Sunday, August 22, Sunil and Thehil Singh with their two children, Judah and Eden, will be visiting VCC for our Sunday morning service. Sunil and Thehil will also speak during our Q&A following the service.

Sunil and Thehil were given the leadership roles of GGM when Thehil's mother, Christobel, retired last year. After completing his studies in Chicago last year, Sunil returned to India in the midst of the pandemic. Thehil, who is nearing the completion of her studies, still lives with the children in the Chicago area. VCC provides regular support for the GGM ministry through our missions giving.

Sunday Dinner

On the evening of Sunday, August 22' at 6pm, the missions committee is hosting a dinner for the Singh family. The dinner is also open to the first 20 members of the VCC congregation who sign the reservation list this Sunday in the Fellowship Hall.

It benefits both VCC and GGM to build a relationship on a more personal level. Dinner will be home-made chicken & spinach lasagna with a white sauce, salad, and dessert.

FUN, FELLOWSHIP, AND CARE GIVER RESPITE

One Thursday a month, we have a time of activity, music, and fellowship. We especially invite caregivers whose loved one could use some socialization and activity. If you need respite, you do not need to stay with your loved one. We meet in the comfortable, safe, and familiar environment of our VCC Fellowship Hall.

If this sounds good to you, you're invited on the third Thursday of each month from 10 am to noon. We play games, sing, exercise, listen to some old tunes, and just

generally have a fun time. Everyone is welcome; just call Virginia (520-203-6519) and let us know you are coming. Come and check us out on August 19.

VIDEO FOLLOWED BY Q&A TUESDAY

Tuesday at 10:00 we will show a video entitled *Transgender Agenda*. It speaks from the medical and psychological perspectives of the dangers associated with the transgender *push* our culture is applying to the most vulnerable portion of our population—our school age children!

In addition, we are very fortunate to be able to have someone with us who has professional experience dealing with this issue, and can thereby offer suggestions as to how you and I might respond should this issue arise within our extended families or with others to whom we might minister. This session will be in-church only.
