## Weekly

### WANDA DOPSON MEMORIAL

Wanda's memorial service will be for family and close friends here at the church at 11:00 on Friday November 12. It is being limited to family and close friends because there will be a significant number of people traveling from out of town to attend. If you consider yourself a close friend, and find the risk acceptable, the family would be delighted to have you come.

### NEW BROCHURE

VCC's columbarium, a permanent memorial designed to provide a resting place for cremation urns, is located in the prayer garden at the back of the church. If you are looking for information on the VCC columbarium, you can find a new brochure posted outside the office with the chart that shows which columbarium niches have already been purchased by members of the VCC congregation.

#### The Columbarium Committee

If you would like to have more details on the columbarium or the purchase process for a niche, you can check with one of the columbarium committee members (l-r) Bill Von Fabrice, Becky Sellers, or Debra Westendorf.

### PICTORIAL DIRECTORY DEADLINE NOVEMBER 14

The VCC pictorial directory is designed to help members of our congregation get to know one another and keep in contact. The directory is meant for both members and friends of VCC, so if you are attending VCC regularly you should have a listing in the VCC Pictorial Directory.

#### Directory Update

All it takes to get a directory listing is to stop in at the Church office and fill out the directory information form and get your picture taken. See Jan Galyen who can take your picture. She also maintains all the directory records.

Jan plans to make the updated 2022 directory available at the

quarterly business meeting, December 8, so she would like to have all updates—both new listings and corrections to existing listings—into the office by Sunday, November 14.

#### New Distribution Approach

In the past we have put the new directory in every mailbox in December. However, this proved to be a wasteful approach because so many of the directories were not claimed. This year, the distribution of the new directory will be by request. You can pick up a copy at the quarterly meeting or request a new directory at the Church office.

### THANKS FOR YOUR GENEROSITY

Elsie Calvin posed with the pile of donations that VCC members

and friends donated in October. She writes: "Thank you for the great response to the October clothing drive! Because of your generosity, men

and women at two different rest facilities will be greatly blessed by the clothing and purchased personal items.
