NEW LOOK FOR THE SANCTUARY

At Christmas time several people noted how much better our sanctuary looked, especially in our streaming broadcasts, with the banners on either side of the cross. Recently our decorating committee, Genene Sexton and Peggy Thurmond, installed new banners and added a few plants to brighten the sanctuary platform—a definite improvement.

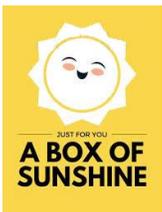

NEW VIDEO

We have a new video up on the missions channel on our website: vistoso.org. It is a short piece from Bill Penning, who we have just recently begun to support on a monthly basis. He sends his greetings from Brazil, and shows us around his work and living spaces. Take the time to keep up with our missionaries, and pray for them regularly.

SUNSHINE CARE BOX PROJECT—ROUND TWO

As one way of dealing with the inability of our full fellowship to gather together, last year we provided sunshine boxes to brighten the day of those who were cut off from interaction with others or facing a significant trial of some kind. I appreciate those who were involved last time, and I would like to do something similar again.

In short, the idea is to put together a box of *goodies* that might encourage someone who has not been able to gather. This could include anything from an encouraging

book or devotional, homemade treat or candy, and anything else that comes to mind.

We have boxes at the church, or you can use any kind of box or gift-bag you might have at home. Feel free to dress it up as much as you like, since we intend to deliver these from the church, no need to worry about mailing. We will begin collection efforts this coming Tuesday, February 9, and continue for the next several weeks. The Church Office will identify and track deliveries. If you would like to identify a specific person for your box—just see the Church Office. Otherwise, you can be certain

your gift will be delivered to a brother or sister in need of a bit of sunshine.

In His Grace,

Kevin
